

Intimations 26/10/25

Deepest thanks to everyone who helped set up, serve, prepare, tidy away or just eat lunch on Saturday afternoon. The event raised £ _____ for church funds.

Many of you will already be aware of the outcome of last Sunday's voting on the union of Westwood and Greenhills congregation but for those who do not yet know; all voting was unanimously in favour of the union and in addition the congregation at Greenhills voted unanimously in favour of Rev Mackenzie to be their minister. I'm sure there will not be many situations where a clean sweep of unanimous votes is delivered.

And in respect of that the next meeting of our Working Group takes place tomorrow evening Monday 27 October at 7.30pm in Greenhills.

Looking slightly further ahead, Sunday 9th November is Remembrance Sunday. The service still begins at 10.30am. We look forward to Colour Parties from Youth organisations joining us on that occasion.
